**Friday November 5th, 2021**

**8:00am – 2:00pm**

*at the Arizona National Guard, Papago Site, 5636 East McDowell Rd, Phoenix, AZ 85008*

AZCCD gives students the chance to have a day to work in the Construction Industry with real life applications. These are just a few hands-on demonstrations available for students.

- Building brick walls
- CADD
- Pipe design & build contest
- Cement mixing and setting
- Construct a toolbox
- Operate Heavy Equipment - each student will have a professional operating engineer instructing them

- Estimating Projects
- Design & build projects
- Plumbing projects
- Pipe Fitting

This event will teach students skills and knowledge about the construction science industry, a day students will never forget.

Students will have the chance to meet and work with LEADERS in Construction Industry! This is a great opportunity for students to learn about wages, benefits available in the construction science industry.
